Federal Bureau of Investigation
Tenth & Pennsylvania Ave., N.W.
Washington 25, D.C.

My Dear Mr. Hoover:

I wish to call to your attention the high degree of cooperation which we have recently received from your Bureau. Our responsibilities attendant to the Korean hostilities required approximately forty persons to be promptly employed and trained. Through the efforts of your Bureau in expediting the personnel security investigations, we were able to meet an urgent operational deadline.

I cannot overemphasize the importance of the security applicant investigations conducted by your Bureau for this Agency, in so far as the national security is concerned, and it is my desire to express appreciation for the excellent cooperation which we have received from your Bureau in connection with the above mentioned cases.

Sincerely yours,
